104.14 Student Registration: After completion of the Ph.D. admission, every student needs to register through the student registration process. As like Undergraduate and Postgraduate students a seven-digit number in the prescribed format YYXXXXX (where YY indicates Year and XXXXX indicates number) will be allotted by the University to the students as a student registration number.

If any student already registered in MBB University in some courses and having registration number and migration certificate not been issued for the student, new student registration is not required for those students and the students only submit the application with previous registration certificate (self-attested) and the same registration number will be continued for the Ph.D. course also. If any student admitted from other University, the student needs to apply for fresh new registration with submission of Migration Certificate from that University. Accordingly, the Controller of Examinations will issue the Registration.

106.18.14 as corresponding serial No. after 106.18.13:

106.18.14 Ph.D. Title Registration:

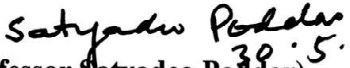

After completion of the course work and approval of the Board of Post Graduate Studies, every Ph.D. student has to apply for the Ph.D. Title Registration in prescribed format. Accordingly, the Controller of Examinations will allot the Ph.D. Title Registration number in the format given in the Notification No.F.15(26)/MBBU/Academic/Ph.D. Regulations/2020/1061-69 dated August 12, 2022 for all the students admitted for Ph.D. course.

The other Regulations laid down in the Ph.D. Regulations, 2020 under First Regulations, 2018 (First Amendment) of MBB University may remain unchanged. All the amendments will be applicable with immediate effect.
